Registration # \_\_\_\_\_ Litter # \_\_\_\_\_

Date of Birth \_\_\_\_\_ Sex: Male Female

Sire \_\_\_\_\_

Dam \_\_\_\_\_

Microchip # \_\_\_\_\_ Color \_\_\_\_\_

Purchase Price \$2,000. Monies are to be paid in the form of cash, certified check, credit card or money order. A non-refundable \$500 deposit is required to hold a dog. This deposit will be credited towards the purchase price of the dog. Payment in full must be made before the buyer takes possession of the dog unless prior agreement has been made. In the event that the dog is to be shipped, payment in full must be made before the shipping date. A returned check does not constitute payment. In the event of a returned check, the buyer agrees to pay any and all bank fees associated with that returned check. Any shipping costs are to be paid by the purchaser. Puppies being purchased on payments must sign and adhere to LakeHaus Kennel's Payment Agreement before the owner can take possession of the dog.

2) The dog is sold in good health, free from communicable diseases (as well as can be visually determined), and has been immunized appropriately according to the age, identified for registration purposes and identification up to the date sold. The health of this animal is guaranteed for three (3) working days through examination by a veterinarian at the discretion and expense of the buyer. If the dog is found to be of unsatisfactory health and written documentation from a licensed veterinarian is presented, the seller shall at his/her discretion (provided the dog and registration papers are returned within three working days): a) replace the dog with the next available like prospect or mutually agreeable dog, or b) refund 100% of the purchase price (minus shipping costs and LakeHaus' expenses). However, LakeHaus Kennel will not be held liable for any damage or injury caused by negligence or accident.

3) The buyer shall have the option of returning the dog, in the same condition as when it was sold, to LakeHaus Kennel within fourteen (14) days of the date of sale, and obtain a refund of the purchase price, minus the deposit. If the dog is returned to LakeHaus Kennel, the buyer shall be responsible for any expenses associated with returning the puppy. Refund will be given within (6) months of being returned or as soon as the puppy is resold. This is at the discretion of LakeHaus Kennels.

4) Each dog is guaranteed to have sound and stable temperament provided they are properly socialized, which include obedience training, and the buyer spends a large amount of time socializing the dog while young. The dog is not to be kept chained or tied up, not allowed to run loose, not allowed to be isolated in it's house, be teased or otherwise abused. All dogs should be confined properly in a kennel of their own and not left to their own devices.

5) The dog is guaranteed to be free of hip dysphasia and any other hereditary disabling defects visible (i.e. lameness) by twenty-four (24) months of age. Or any other inherited defect resulting in a significantly shortened life span (i.e. dog dies or has to be euthanized prior to 6 years of age because of this diagnosed defect AND the accepted current veterinary medical therapies have failed to afford the dog an acceptable quality of life, as determined by LakeHaus Kennels). Determination of what constitutes a hereditary defect is to be a unanimous agreement of three (3) veterinarians agreeable to both parties but shall be on that would affect the dogs ability to function as a pet. Cost of the opinions is to be assumed by the buyer. If such a problem should develop, the breeder shall replace the dog free of charge to the owner if the original dog is spayed or neutered. If the defect of the dog is severe enough to warrant the animal to be destroyed (as deemed by a qualified veterinarian), the buyer has the option of 100% refund or a replacement dog. The decision is between the breeder and owner and fulfilled within one year of the problem developing. This guarantee does not apply to any damage, neglect or injury caused negligence or accident. An overbite or an under bite are not considered a disabling defect and these issues are excluded from this guarantee.

6) LakeHaus Kennel will not be responsible for any expense(s) incurred, for any reason, by the buyer regarding this dog, without LakeHaus Kennel's prior written consent. Nor is LakeHaus Kennel liable for any damage(s) or injury(s) caused by the above described dog.

7) In due time with proper care and training on behalf of the buyer, the Show Prospect should be of acceptable temperament, structure, and should embody the basic standard of the breed. Proper care includes regular and proper exercise, bathing, regular grooming, training and socialization. The dog should have all the qualifications of show quality plus being one that, with proper grooming and handling, can and should win in the conformation ring. We do not guarantee dogs sold for breeding and/or showing to become Champions, but if raised with reasonable care and training he/she should achieve this honor. In the critical years of the dog/s development a lot can happen (i.e. broken leg, improper diet, lack of proper training and care, being hit by a car) that would forestall his/her becoming a holder of title. Notwithstanding the foregoing, no warranty is made or implied that this dog will win in the show ring. It is understood by the buyer, that condition of the dog at the time of the showing, rapport with the handler and judge selection may affect the dog's ability to win in the show ring.

8) Any dog sold as a show prospect must actively be entered into and compete in no less than eight (8) conformation shows per year to work towards their Championship. If the buyer is found to not be actively working toward this title, the LakeHaus Kennel reserves the right to either handle and exhibit the dog themselves, location permitting, at the buyers expense, or hire a professional handler to campaign the dog to its Championship title at the buyers expense.

9) Any dog sold as a show prospect which subsequently develops a hereditary or disqualifying defect, the breeder shall refund the buyers money to the extent of the difference between the price of a pet quality and a show quality prospect (currently \$300) from this litter, with the owner retaining the dog. The decision is between LakeHaus Kennel and owner and is to be fulfilled within one (1) year of the problem developing and documented.

10) If for any reason the buyer feels the dog cannot obtain its title, it is at the breeder's discretion to decide: a) the dog is not showable quality, or b) the person with whom the dog is to be handled by to its titles at the owner's expense.

11) It is agreed that the above sold dog will only be bred after each of the following conditions have been met:

2) Elbows and heart are also to be checked and certified clear by OFA;

3) Has had an eye exam by a board-certified veterinary ophthalmologist, to ensure the dog is free of any hereditary eye defects;

4) Cone Degeneration

Further they are to use a contract with all sales of offspring with spay and neuter conditions, screen potential homes and thoughtfully place puppies in good and loving homes. LakeHaus Kennel will supply contracts for future pups if requested.

14) If the dog was bred, accidentally or intentionally, before he/she was genetically tested and certified clear, or a replacement/refund for any defect was requested, all guarantees are void and ownership of dog will default back to the breeder, with all expenses pertaining to the return of the dog paid for by buyer. All offspring produced due to an accidental or intentional litter before the dog has completed the requirements in clause #11 of this contract will NOT be allowed to be registered with the American Kennel Club.

15) Beside good and reasonable care, the buyer agrees to:

a) Allow the dog to live in your home, as a participating family member and to treat the dog humanely with proper safeguards taken for the care and safety of the dog;

16) Buyer must notify LakeHaus Kennel of any change of address and phone number. The buyer will from time to time advise the LakeHaus Kennel of the dog's progress and will not hesitate to contact us for advice on any problem or question that the buyer may encounter. LakeHaus Kennel is to be notified should any unusual health problems occur at any time or upon the death of this dog. Failure to update LakeHaus Kennel on the health and progress of the dog will void any guarantees made by this contract.

17) The buyer agrees and promises to never take this dog to a humane society or animal shelter; to never train, use or allow the dog to be used in dog fighting, medical research, protection training, attack training or as a guard dog for self or any agency, firm, corporation or organization. The buyer also agrees the above-described dog or its offspring, will not be leased, consigned, auctioned, sold or given to any pet shop, puppy broker, puppy mill or other commercial enterprises for resale or breeding purposes. Buyer agrees to treat this dog as a family pet, with affection and kindness and to never to use abusive training methods.

18) If, at any time, the buyer is unable to keep the dog (dog and registration papers), ownership reverts back to LakeHaus Kennel. Proceeds of sale (if any) will be forwarded to the buyer/owner

after pet has been rehomed, or within 6 months of LakeHaus retaking possession of the dog. Remuneration will be given to buyer/owner after nonrefundable deposit, AKC transfer fees, veterinary costs, advertising costs, traveling expenses (calculated at \$0.75/mile), shipping fees and/or any other costs incurred are deducted. The monetary value of a pet animal over 4 months of age may be substantially less than the original purchase price. Dogs returned over 6 months of age will not be entitled to a refund. The dog may also be placed in a mutually agreed upon home, upon LakeHaus Kennel's approval. LakeHaus Kennel's approval will not be withheld unreasonably provided the new owner agrees to sign a contract and follow all the conditions of said contract.

19) In no event shall the amount of any refund, reimbursement, remuneration or liability on the part of LakeHaus Kennel to the buyer be greater than the purchase price of the dog.

20) If the dog is found in a SPCA, shelter, humane society, rescue program or the like, the buyer agrees that all rights of ownership reverts to LakeHaus Kennel and thereby LakeHaus Kennel becomes the legal owner of the dog with all rights reserved and entitled to.

21) Buyer acknowledges that LakeHaus Kennel and other breeders of the subject dog's breed would be irreparable damaged if the breed is corrupted by, among other things, the breeding of show potential dogs with dogs of lesser quality, breeding before health clearances or titling the dog or cross breeding dogs of this breed and other breeds, and that the amount of such damages is or will be difficult to or cannot be ascertained. It is, therefore, agreed that in the event there is a violation of #11, #12, #13 or #14 above, the buyer will pay LakeHaus Kennel as liquated damages, and not as a penalty, the sum of \$10,000.00.

22) In order to secure the obligations under paragraph #7, #11, #12, #13, #14 and #20 above, the buyer hereby grants to LakeHaus Kennel a security interest in and to the following collateral: 1) the dog sold under this agreement; 2) all puppies parented by this dog; and 3) if a male, all semen collected and in storage.
